PROFILE

Creative and passionate videographer who recently graduated with a Master's degree in Digital Video Production and Marketing with distinction. Wide videography skill set hence can fit into many roles in the production process, from pre-production through to post-production, or even take on entire projects independently. A wealth of freelance experience, recently completed a postgraduate placement in the industry, and looking for first full-time videography position.

SKILLS

- Fluent in Spanish
- Confident in front of camera
- Acting experience and awards
- Interview skills

EXPERIENCE

Salford Foundation | *June - November 2023* (Postgraduate Placement)

Junior Digital Marketing Officer

Created content around the real stories of service users to show the charities' importance to funders and increase public awareness.

- Researched the organisation, analysed its position and ideated a campaign idea
- Recorded interviews with service users and staff
- Edited and strategised the dissemination of social media content

The Sherlocks | *October 2023 - Present* (Freelance)

Content Creator

Worked on multiple projects creating content for this band.

- Travelled with the band on their 2023 UK Tour capturing footage on and off stage
- Edited the footage into 12 Instagram Reels totalling 500,000+ views on their page
- Directed and edited a multi-camera official live music video at one of their sold-out shows

Beta3 Productions | *December 2022 - Present*

Co-founder

Set up this video production company with 2 of my postgraduate coursemates.

- Completed 10+ video projects from live briefs from real clients
- Directed and edited a runway fashion show video for my university's Fashion Design course
- Awarded the 3rd place prize in the 2023 Wex Student Video Awards

Luxury Villas Marbella | *March 2019 - Present* (Freelance)

Real Estate Videographer

Shot and edited 10+ promotional videos for the properties of this real estate agency.

- Used a Zhiyun Crane gimbal to get smooth panning shots of interiors
- Piloted a DJI Phantom 4 drone to get exterior whole-property aerial shots
